

**Phyllosphere Diseases**  
**a**  
**Joint Meeting of the IUFRO working parties**  
**"Shoot, foliage and stem diseases" and "Wilt diseases"**  
**(7.02.02 and 7.02.03)**

**May 06-10, 2019**

**Figline Valdarno, Florence, Italy**

Dear Colleagues,

We would like to remember you that the deadline for abstract submission to the joint meeting of the "IUFRO Working Party 7.02.02 and 7.02.03 is approaching!

**Don't miss it!**

**Call for Abstract**

**Open on December 3<sup>rd</sup> - Close on February 15<sup>th</sup>**

Abstracts (the abstract of the manuscript. should highlight the context and purpose of the study, the main findings, the potential implications and should not exceed 350 words. Please minimize the use of abbreviations and do not cite references in the abstract) of proposed papers by January, 25th 2019. Poster presentations are substituted by short oral presentations (5 slides maximum including presentation and acknowledgments). For the abstracts and extended abstracts, please, follow the iForest Instructions for Authors for style and format details:

<http://iforest.sisef.org/users/?id=authors>

Save your file in Microsoft WORD (.doc; .docx) format.

Abstract should be submitted by email to [phyllosphere@ipsp.cnr.it](mailto:phyllosphere@ipsp.cnr.it). Please clearly state if you would like to present a longer oral presentation (20 min), short talk (5min), or if either option would be acceptable.

For whom it may be interested, extended abstracts (up to 4 pages) of all presentations will be published by the IPSP-CNR as on-line Book of Abstracts on the Conference and/or on the IPSP-CNR web site after the end of the conference.

Selected papers may be submitted as a package for a special issue of iForest. Complete instructions for paper preparation will be sent out upon abstract acceptance notices.
